Dear EOPS Student,

As you are preparing for fall semester, we want to give you some updates on EOPS and share some helpful tools that could give you a head start and help you be successful in this remote environment.

1. Check out our informative [Fall 2020 EOPS Newsletter](#).
2. Beginning Monday, we are offering [Live Support via Zoom](#). Our Student Services Assistants will be available to answer your questions through Zoom during the following hours:

**Monday through Thursday 10:30-11:30 and 4:30-5:30.**

**Note: This link will be active only during those hours.**

3. Also check out the [GCC Fall 2020 Guide for Students](#).

All this information is available through [EOPS Home Page](#).

**IMPORTANT:** Please know that beginning fall 2020, the temporary policy changes applied for spring semester are no longer active. **All EOPS students are expected to visit their EOPS counselors three times a semester and complete at least 6 semester units to maintain good program standing.**

**Remember:** To schedule your EOPS counseling appointment, **email your appointment request to the EOPS Appointment Desk at [eopsdesk@glendale.edu](mailto:eopsdesk@glendale.edu) and make sure to include your full name, student ID #, and your contact phone number, so our EOPS staff can get back to you.** When sending emails to EOPS, make sure to include the subject of the email.

**NOTE:** For questions, you may call us at **(818) 240-1000 X 6900 and leave a voicemail.** **Please make sure to leave your full name, student ID#, and your contact phone number at the voicemail prompt. Speak clearly and slowly when leaving a voicemail. For more EOPS Updates, check [EOPS website](#).**
