

# THEATRE ARTS 121 SCENIC DESIGN

Spring 2021, Instructor Caitlin Eby

Tuesdays & Thursdays 1:55pm - 4:00pm Lecture & Lab

Scenic design has the power to create striking visuals, powerful metaphors, and moods that shape the world of the stories to tell.

Learn the fundamentals of how we conceive, create, and communicate scenic designs and props for theatre. In this class we will learn the principles of scenic design culminating in the creation of physical scale models!

# THEATRE ARTS 181 TECHNICAL THEATRE IN CLASSICAL PRODUCTION

Spring 2021, Instructor Caitlin Eby  
Wednesdays 10:45am - 12:10pm, TBA Lab Hours

Learn about the roles, expertise, and elements that come together behind the scenes to make theatre magic.

As a part of lab hours, students will be assigned a production role in our exciting Spring 2021 virtual production!
