Make School Spring Open House

Saturday March 06, 2021 // 10:30a - 1p Pacific Time // online event

The goal of the **Make School Spring Open House** is to **Inform**, **Inspire**, and **Empower** current high school students and community college students to **uplift their communities and tackle global challenges** through a career in **Computer Science!**

>> **Interact** with the **professional programmers** who teach our classes!

>> **Sample a computer science course** taught by our amazing faculty!

>> Attend virtual booths to **speak with current students, current staff, and meet our founders**!

>> **Learn about all the amazing career opportunities in Tech** from fashion to e-commerce to app development and so much more!

>> **Ask questions** about the **program, admissions, financial aid, and student experience**!
