Glendale Community College is in compliance with Title IX of the Education Amendments of 1972 and section 504 of the Rehabilitation Act of 1973 and is an Affirmative Action Employer. According to the Tax Reform Act of 1986 the amount of scholarship/grant not attributable to direct educational costs, i.e. tuition, books and supplies must be reported as taxable income. It is the student's responsibility to report these funds on their tax return. Pursuant to the provisions of Public Law 93-380, as amended, and appropriate section of the Education Code of the State of California, beginning with section 76200, and Title V Section 54600-54662, you are hereby authorized to release requested information from my student records maintained at your institution for scholarship purposes only.
