RSVP TODAY! [USV.EDU/DROPSHIPPING](https://usv.edu/dropshipping)

DROP SHIPPING 101

Are you interested in launching a new business? If you are, then chances are you'll need to invest in inventory. BUT – inventory takes up a lot of resources, including \$\$\$, time and proper management. Wouldn't it be great if you don't need to acquire your inventory up front and pay only for what you sell??? Yes – it is possible, and the business model is called Drop Shipping.

MAY EVENTS

05/27 @6:30PM
