Classified Professional Development Coordinator to Continue

I am pleased to announce that Nonah Maffit, Administrative Assistant, Instructional Services, has been selected to continue serving as Classified Professional Development Coordinator. Appreciation is extended to those classified staff members who considered and were willing to serve the college in this position and were interviewed for the two-year term 20% extra pay assignment.

The coordinator assists in planning, coordinating, implementing, and evaluating professional development opportunities and innovations to assist GCC classified staff members improve their job-related knowledge and skill and provide support for advancement potential. The classified professional development coordinator and the faculty professional development coordinator serve as co-chairs of the GCC Staff Development Committee.

David Viar
