Please join me and the presidents of the Academic Senate, Guild, and CSEA as we celebrate and recognize our colleagues who retired, or are retiring, between June 2019 and December 2020.

The event will begin streaming Friday, December 11 at 3:30 at [www.glendale.edu/retirement2020](http://www.glendale.edu/retirement2020)  
Also located at that site is a flip book of the program with a listing of those individuals being celebrated.

If you are unable to view the ceremony at 3:30 Friday, it will still be available for viewing after its initial run.

Please view the ceremony and then reach out to your retired/retiring colleagues and thank them for their service.

David Viar  
Superintendent/President
