

**GLENDALE COMMUNITY COLLEGE
CHILD DEVELOPMENT LABORATORY SCHOOL**

NON-PRESCRIPTIVE MEDICAL DOSAGE RELEASE FORM

The Child Development Center will **only** dispense the following non-prescription medication to children:

1. Sunscreen
2. Diaper Creams

Any other non-prescription medicine, such as aspirin, throat lozenges, cannot be given without a specific physician's written directions. Please follow the following procedures for sunscreens and diaper creams:

Procedure:

1. Make sure the sunscreen or diaper cream is in a manufacturer's labeled container. **NO OTHERS WILL BE ACCEPTED.**
2. Label the medication with the following information:
 - a. date
 - b. child's first and last name
 - c. specific, legible instructions for administration and storage (i.e. manufacturer's instructions)
 - d. name of health care provider who made the recommendation.

OR

According to the **1992 National Health and Safety Performance Standards** published by the American Health Association and American Academy of Pediatrics: A standing order for a common sunscreen can be obtained from a health professional. Parents can sign a copy of this standing order to give their consent for routine use.
