EDUCATIONAL ADMINISTRATORS

An administrator is a person employed by the Board in a supervisory or management position as defined in Government Code Sections 3540 et seq.

Educational administrators are those who exercise direct responsibility for supervising the operation of or formulating policy regarding the instructional or student services programs of the District.

An educational administrator who has not previously acquired tenure as a faculty member in the District shall have the right to become a first-year probationary faculty member once his/her administrative assignment expires or is terminated, if the following criteria are met:

- The administrator meets the criteria established by the District for minimum qualifications for a faculty position, in accordance with procedures developed jointly by the Superintendent/President and the Academic Senate and approved by the Board. The Board shall rely primarily on the advice and judgment of the Academic Senate to determine that an administrator possesses minimum qualifications for employment as a faculty member.
- The requirements of Education Code § 87458 subdivisions (c) and (d), or any successor statute, are met with respect to prior satisfactory service and reason for termination of the administrative assignment.
- The District has a vacancy for which the administrator meets minimum qualifications.

Educational administrators shall be compensated in the manner provided for by the appointment or contract of employment. Compensation shall be set by the Board upon recommendation by the Superintendent/President. Educational Administrators shall further be entitled to health and welfare benefits made available by action of the Board upon recommendation by the Superintendent/President

Educational administrators shall be entitled to vacation leave, sick leave, and other leaves as provided by law, these policies, and administrative procedures adopted by the Superintendent/President

Every educational administrator shall be employed by contract based on the following:

- Vice President: up to three years in duration
- All other education administrators: up to two years in duration

The Board may, with the consent of the administrator concerned, terminate, effective on the next succeeding first day of July, the terms of employment and any contract of employment with the administrator, and reemploy the administrator on any terms and conditions as may be mutually agreed upon by the Board and the administrator, for a new term to commence on the effective date of the termination of the existing term of employment.

If the Board determines that the administrator is not to be reemployed when his/her appointment or contract expires, notice to an administrator shall be in accordance with the terms of the existing contract. If the contract is silent, notice shall be in accordance with Education Code § 72411.
