Dear Glendale College Student,

We have extended the EOPS admission deadline till **Friday, October 8**. The book voucher deadline is October 23. You may get a reimbursement of \$250.00 this fall and grant monies from EOPS if you join EOPS by the deadline of October 8. EOPS offers book vouchers every term of attendance, and grants for fall and spring.

Our records indicate that you may be eligible for EOPS (Extended Opportunity Programs and Service) designed to support low income college students who are willing to work hard to succeed in college. The goal of EOPS is to ensure that your educational needs are supported while you are working towards achieving your academic goals.

Eligible EOPS students receive academic and financial support through academic counseling, priority registration, book voucher for each term of enrollment, EOPS grant, EOPS emergency loan, university application fee waivers, extra tutoring time and more.
