- Adding an event sign up link on the ASGCC website in order to have a direct way for attendants to sign up for events

XI. Report of Organizations Committee

- Club rush was last Tuesday, turned out well with over 100 people attending the event
- Clubs and organizations do have another opportunity in October. 28th to set up a booth about their club at in-person club rush
- Last Friday, the vaccine town hall had a great turnout and was very informative
- Planning on holding a Health and Wellness literacy series
- The last IOC meeting also went really well with a large turnout

XII. Report of Officers

XIII. Special Reports/Governance Committees

1. Campus Development

- Discussed indoor signage, adding braille to signs in classrooms and offices, also adding QR codes for people with disabilities for a wayfinding project
- Implementing signs and new areas so students can find their way around campus
- Making improvements for people with disabilities such as people in wheelchairs

2. Environment and Sustainability

- The new science building is currently under construction and the project is on schedule and moving ahead
- The gym is available from mid-October but there are still renovations going on for faculty locker rooms and locker room shoes, work on gyms will be completed by the end of the calendar year
- Potential solar partnership with the city, parking lot closer to Garfield campus has a carport arrangement that they can put in solar panels

3. Governance Review

- The issue with RGP because there are no clear steps on where to find it and fill and tried to update AR4000 which is out of date, and does not reflect the current structures of GCC, so information needs to be updated and clarified

XIV. Guest Speakers

1. Anthony Garcia

- Statewide campaign across all community colleges in California to advocate and provide support for undocumented students, and raise awareness on issues that are affecting students across the states
- Highlighting different issues that students may face through events to help raise awareness, all events are open to everyone
- Emphasizing resources that students have available on campus as well as external resources that students can take advantage of
