## **TRANSFER CREDIT LIMITS**

A student's transfer credits may not exceed 75% of the credits required for a Columbia College Hollywood degree earned at Flashpoint Chicago. Online course credits may not account for more than 49% of the credits required for an on-ground degree program. Students enrolled in a BFA program requiring 192 credits may transfer in no more than 144 credits to include no more than 70 online course credits. Students enrolled in an associate degree program requiring 96 credits may transfer in no more than 72 total credits to include no more than 35 online course credits.

## **TRANSFER CREDIT (TR) GRADES AND SAP**

All students at Columbia College Hollywood are required to maintain minimum standards of Satisfactory Academic Progress (SAP). The college evaluates all students for Satisfactory Academic Progress (SAP) by three standards: Cumulative Grade Point Average (CGPA), Incremental Completion Rate (ICR), and Maximum Time Frame (MTF). For SAP purposes, the transferred course grade of TR has no grade point value and does not affect the student's CGPA. The transferred course does, however, earn 4 credit hours toward the total credit hours required for the student's degree program. Therefore, when the student's ICR is calculated, the transferred credits are considered both attempted and earned. See the Satisfactory Academic Progress section of this catalog for more information.
