

## Instructions for finding a provider Outside of California

1. Go to [www.blueshieldca.com](http://www.blueshieldca.com) home page and select "Find A Doctor":

2. Scroll down to the bottom of the page to "Accessing Care Outside CA" and select Providers outside of CA or Coverage outside of the US if traveling worldwide: links will reroute to provider.bcbs.com once you leave the website

3. On the Search Outside of California pop up box select "Leave Blue Shield Website":

4. The National Doctor and Hospital Finder search screen will now be available. From this screen you will need to input your three-letter alpha prefix (**XEA or customized prefix if available**) from your id card and select the Blue Card Traditional network option. In this screen you will be able to search by specific provider/facility name, specialty, and more. You can change the mile radius
