

A close-up, slightly blurred photograph of a white plastic rack containing several vials. The vials have caps in various colors: orange, blue, purple, and yellow. The vials are arranged in a row, and the focus is on the ones in the foreground. The background is out of focus, showing more vials and the rack structure.

Glendale Community College COVID-19 Vaccination Policy Requirements

In accordance with [Board Policy 3507: COVID-19 Vaccination Requirements](#), the Glendale Community College District requires all students, faculty, and staff to provide evidence of *full* immunization against SARS-CoV-2, the virus that causes COVID-19, unless approved as exempt due to ADA qualifying physical/mental disability which preclude vaccination, or have an approved religious belief objection (as defined in federal or state laws and regulations) by October 31, 2021 to access District facilities.

Students who do not provide verification of full COVID-19 vaccination or have an approved exemption or accommodation by the October 31, 2021 deadline will be dropped from their in-person classes beginning November 1, 2021 without a refund and will receive an EW (Excused Withdrawal) on their transcript. **There will be no exceptions.**

This requirement will remain in effect for the entire 2021-2022 academic year.

The image shows a login form for Glendale Community College. The form is overlaid on a background image of a college building with a red-tiled roof and mountains in the distance. The form has a white background and a grey header. The header contains the Glendale Community College logo and the text "PORTAL LOGIN". Below the header, there are two input fields: "Username" and "Password". At the bottom of the form, there are three buttons: "Login", "Forgot Password?", and "First Time User".
