

Glendale Community College District

**5610**

Administrative Regulation

### **VOTER REGISTRATION**

The District will make a good faith effort to distribute voter registration information to each student enrolled and in attendance at the institution.

The District will ensure it is in compliance with the Student Civic and Voter Empowerment Act, and will designate a liaison with the Secretary of State to coordinate the dissemination of voter registration information to the student body. Information and requirements pertaining to the Student Civic and Voter Empowerment Act will be made available on the Districts website.
