Disability Rights!

Presenter: Paul Grossman, JD

Thursday, February 17th, 2022

12:00 PM- 1:00 PM

Zoom ID: 819 1496 7158

Who is invited? ANY Student or Student Leader who wants to take action on a critical civil rights issue.

What will you gain? This “Zoom teach-in” will provide a brief overview of the Payan vs. LACCD case and what is on the line, but most importantly, tangible steps that you can take as students, to demand that the LACCD do the ethical, moral, and socially just thing!

Why is this important? We are all part of “one civil rights fabric.” The damage proposed by LACCD may well spread to other civil rights.

ASL Interpreters and Real-Time Captioning will be provided. Please email caped.execasst@gmail.com for additional questions or requests.
