

SCE@CSUN Series

Join us as we host Southern California Edison engineers to discuss a range of topics over the Spring 22 semester.

All students are welcome!

- **Women Empowerment (WE) Forum**
 - March 17th, 1:00 PM
- **Career Paths & Engineering Management Skills**
 - March 25th, (5 PM or 6 PM - TBD)
- **Case Study - Adverse Effects of Harmonics on Resistance Grounded Generators**
 - March 29, 4:00 PM
- **Microgrids Presentation**
 - April 14th, 4:00 PM

Register here: <https://forms.gle/TnrjvUV4B39t1y6c9>

This registration link lets you select any of the events you are interested in, a section for each of the events if you have any specific questions, and a section at the end for any general questions for SCE or any of the four student organizations collaborating in this series.

We will share the meeting links for the events when you register for them, the week prior to the events, and within 24 hours of the event.

We welcome our local chapters and community college students to join us - if you have any questions, please don't hesitate to reach out to any of our host organizations!
