# CSUN

# TSA EVENTS

## GAME NIGHTS - EVERY OTHER FRIDAY AT 9:00PM

Come join us for virtual game nights where you can meet some other transfer students and have a relaxing hour to destress and share some laughs! Hosted within the Discord server!

Dates: 03/04, 03/18, 04/01, 04/15, and 04/29

## SCHOLARSHIPS - MARCH 12TH AT 6:30PM

Whether you're going to be a continuing transfer student or you're a new transfer student this next academic year, there are plenty of scholarships available. Our president, Ash, will be presenting and she's earned over \$25000 in scholarships at CSUN since transferring.

Email: [ashley.kuhnley.474@my.csun.edu](mailto:ashley.kuhnley.474@my.csun.edu)

Zoom: <https://csun.zoom.us/j/5256926560>

## TRANSFER STUDENT PANEL (ALL MAJORS) - TBD

If you're planning on attending explore CSUN or you're not able to, we will be hosting a panel of students the weekend after (Either April 16th or April 17th) where you can listen to current transfers share their experiences and ask any questions in an environment where we will be honest and transparent.

## TRANSFER STUDENT PANEL (ENGINEERING AND COMPUTER SCIENCE) - APRIL 23RD AT 12:00PM

If you're planning on attending explore CSUN or you're not able to, we will be hosting a panel of computer science and engineering students where you can listen to current transfers share their experiences and ask any questions in an environment where we will be honest and transparent. Engineering and computer science majors tend to struggle more with their transfer experiences and we want to arm them with as much information as possible. This event will be cohosted with AIMS2 and Eta Kappa Nu (an ECE and CompSci engineering honor society).

## SOUTHERN CALIFORNIA EDISON SERIES **SCE@CSUN**

This series of events is also focused on engineering and computer science, but is open to all interested. There will be a panel for Women in Engineering but would more broadly apply to women in STEM.

Additional flyer attached with one event time still being finalized. The link to register is here: <https://forms.gle/TnrjvUV4B39t1y6c9>
