I. Announcements

Upcoming Deadlines:

Next Preliminary Review deadline: January 14, 2021

Last DE Addendum submission deadline for 2020: December 11, 2020. There is a November submission (11/25). CoDE will meet on the last day of finals to approve. If you have questions, please contact your CoDE rep, Alexa Schumacher or Samantha Garagliano. Please remember that in order for a course to be offered in the future, it needs to have a DE addendum.

Technical Review Committee

We may have a new Tech Review Committee member but if you or someone you know may be interested, please contact Francien.

Preliminary Review Committee

We may have a new Prelim Review Committee member. Please contact Francien if you or someone you know may be interested.

Update on Payment for Summer/Covid-19 Work

No update. Please direct any concerns you may have to Dr. Ritterbrown.

CoDE Approved DE Addenda

There were 385 courses which were approved October 27, 2020. Francien emailed the link to C&I Committee members prior to the meeting.

II. Ongoing Business

The Role of C&I in Promoting Inclusivity and Equity/Equity Rubric Task Force Update

Francien emailed to C&I Committee members the latest draft of the equity rubric. Please show this draft to your division because the task force would like feedback. Please email Francien any suggestions or changes your division may have by November 10. The goal is to have a final document in PDF and an online version (with clickable links) to guide faculty in developing course outlines.

The rubric's acronym is DEIA, Diversity/Equity/Inclusion/Accessibility. The task force decided to add "Accessibility" in the name and the guide to emphasize its importance in "allowing everyone equal access to education, employment, healthcare, and other resources."

III. New Business

Credit for Prior Learning (CPL) and Credit by Examination (Board Policy 4235/Administrative Regulation 4235)

Existing Board Policy and Admin Reg will be revised to incorporate the Credit for Prior Learning. The Chancellor’s Office deadline for submission is end of the year, but Dr. Ritterbrown thinks the CCCC will give us a little bit of latitude on this. C&I will make recommendations. The Academic Senate and Academic Affairs Committee will approve.

Please review the document on the C&I database under “Documents” and contact Dr. Ritterbrown with your suggestions.

Student Learning Outcomes. No updates.

Articulation. No updates.
