Student Development 105: College Success for Students with Disabilities

Fall 2022

**Class number 3243 (3 units)
Tuesday & Thursday (Remote)
3:30-4:55PM**

ST DV 105 is an introductory college orientation course for newly enrolled and continuing students with disabilities. Students develop an understanding of a Newly enrolled and continuing students have the opportunity to register for ST DV 105 this fall semester. This is a great class for students transition from high school to college. This class is also for students who want to learn how disability-related factors may influence the educational decision-making process in college. This course will be team-taught by DSPS Counselors, Diana Carrillo and Janelle Delgado.

Topics include:

- » Short and long-term goals
- » Study strategies
- » Self-advocacy
- » Disability related laws and accommodations
- » Associate degree and certificate options
