Welcome to Kim Perner from Non Credit Business Life Skills, who will be replacing Maria Czech in the Fall. Congratulations to Maria on her election as NCBLS division chair, and thanks to her for many years of service to C&I.

II. Ongoing Business

Update on migration to eLumen (Traynor, Rohrbacher). We had two workshops on workflow, one on May 16 and another on May 18, with Megan Blevins, who has since left eLumen. Melissa Kibrick has taken over with the implementation and training. Nancy, Fran, Piper (CoDE), Yvette (SLO), and Richard (Articulation) will have a kick-off meeting with Melissa later today. C&I training could begin by the end of June.

The role of C&I in promoting DEIA. Please continue to send Francien samples of DEIA curriculum materials. The plan is to use them as examples in the appropriate sections of the Equity Guide.

Please contact Francien if you would like to facilitate a DEIA workshop in the Fall. Thanks to Beth and Yvette who held workshops this Spring.

III. New Business

Articulation (Cortes). No update.

DEIA on the Chancellor's Office website (Evans). Alexandra shared the link to the Chancellor's Office Vision for Success webpage dedicated to Diversity, Equity, Inclusion, and Accessibility: <https://www.cccco.edu/About-Us/Vision-for-Success/diversity-equity-inclusion>, which clarifies concept and implementation, offers links and resources, answers FAQs, etc.

Francien posed a question, Where are we in promoting DEIA? A brief discussion followed. Committee members shared how they revised their curriculum and teaching practices to incorporate DEIA. Rita (DSPS) and Alexandra (Student

Equity) reminded the committee that the counselors are always willing to come to divisions and discuss best practices. Francien asked Kohar and Katie if they would consider co-hosting a DEIA workshop with her, specific to Nursing, in the Fall; and they agreed.
