- New system to see what courses students have taken throughout the years
- If a student doesn't have a record they can give a self report
- Studnet can take placement exams to take higher courses

#### **XIV. Guest Speakers**

**Kevin Meza** – Academic Senator, Guided Pathways Counselor Coordinator/Counselor

- Came with Tiffany Engel, and Melissa, they part of guided pathways to which is way to help student navigate through the school system.
- Sent emails to student to let them know about the new success teams.
- Success teams are a way to help student understand more about their school and the information provided for the
- The learning professional pathways group can help student find better and more effective opportunities in the fields they choose to get into.
- Success teams will have a lead counselor and instructors to help student in their pathways.
- There will be student involved in this organization to help the administrators and guide them to be more in touch with students.
- Students will be able to ask for help in whatever field they are majoring in.
- This is more focused on helping STEM majors achieve their imagined future and pathways.
- Support system such as EOPS and CalWorks
- Currently in the pre-launching phase and are creating teams
- Welcome to any student that is wanting to be more involved and help others in a team.
