4. SEA

Metric 1: Workforce Preparation Milestone completion

- shows an upwards trend towards the years for the students
- Very minimal gaps between Latinx and White Students population

- Metric 2: Educational functioning high level gain within one year for ESL and ABSE students

- The trend moves townwards within the years with how many students complete the courses, showing a slight decline

- There's a gap for Latinx students for this metric, however, non for white students

- Metric 3: Persistence from one academic year to the next academic year

- The trend shows a decline due to the campus having to shut down due to covid

- No/ slight gaps with Latinx and White Students, it's not much of a difference
