MLKCH Nurse Residency Program

The Nurse Residency Program at MLKCH prepares new nurses by facilitating all aspects of their training into professional nursing. Our priority is for our RN Residents to feel supported through their professional development alongside our trained preceptors, leaders, and dedicated program team. Upon successful completion of this paid Nurse Residency, you will be prepared to work as an independent, professional RN on your home unit. It is the best way for you to gain the experience, skills, judgment, and confidence you will need to thrive in your new career as a professional nurse at MLKCH.
