November 9, 2022 Curriculum & Instruction Committee

I. **Announcements**

Faculty working on verifying CORs in eLumen over winter session (not winter break—take some time off!!) need to send an estimate of their hours to their Admin Assistant and Cc Francien. We will pass this information on to Michael Ritterbrown’s office so the hours can get board reported and you can get paid.

- Do this **before** you start working on your CORs (preferably by the end of fall semester).
- Spread the word to your colleagues who are working on CORs over winter session
