It is important to attend class every day. For in-person classes, be sure to sign-in

Most students need one 16-week semester and one 6-week semester for each ESL level.

Please do not take only ESL Lab.

GCC CalWORKs wants you to learn enough English to get a job you love.

If you are here for a degree or certificate, we want to see you up on stage in a cap and gown, with your children in the audience watching you graduate.
