Course Description and Course Note: T ART 181 is a practical application of theatre arts technical production for the genre of

classical theatre. Through lecture and lab experiences, students gain practical experience in the application of production responsibilities in the areas of stage management, house management, construction, painting, scenery, properties, costumes, lighting, projections, sound, and running crews. Note: Students are expected to be available for crew calls, rehearsals, and performances of GCC productions as assigned by the instructor. Units earned are based on the number of hours and type of project completed. Additional materials including 8" crescent wrench, work gloves, safety glasses, and backstage appropriate

clothing may be required.
