

Student Research *Symposium* »

» **Monday, May 15, 2023**
12 to 4 p.m. (PST)
Sierra Vista 130 and Zoom

» **GCC is hosting our first-ever Research Symposium to highlight exemplary student work on May 15, 2023!**
Students can present research they wrote about in an essay, share any print or digital art they created for a class, or any other kind of major class assignment. Students are encouraged to present in different mediums, traditional and non-traditional (oral, PowerPoint, essay, visual, and more).

Interested students who would like to present can fill out the following form by going to bit.ly/GCCSymposiumForm or scanning the QR code. Presenting at a symposium is a great way for students to share their work and add to their CV/Resume in preparation for transferring.

If you are a faculty member with questions, please reach out to Sarah McLemore at sarahm@glendale.edu.

If you are a student and have questions, please reach out to Reut Cohen Schorr at rcohen@glendale.edu.
