Why choose ASU Local?

Are you self-motivated, dream of changing the world, love to sync your academic, professional and creative interests; and want to stay rooted in your community?

Here are six reasons why you'll love the ASU Local experience:

Supportive community

Build your community of like-minded students working toward a common goal while pursuing various study majors in small cohorts that offer true friendships and community experiences.

Flexibility

Access your online coursework and tutoring 24/7 from the comfort of your home or ASU Local cohort location.

Choice

Choose from 130+ innovative bachelor's degree programs available online.

Personalized coaching

Get personalized support for your emotional well-being, career goals and academic success through one-on-one, in-person success coaching.

Seamless college journey

Transfer credits easily to ASU with MyPath2ASU™ — a personalized online tool that provides clear guidance to maximize your transferable credits and track your progress towards graduation.

Career success

Discover your purpose, build your professional network and boost your career skills through hands-on, project-based learning opportunities.

ASU California Center in the historic Herald Examiner building
1111 South Broadway, Los Angeles, CA 90015
