Dear EOPS Student,

This is a quick reminder that the third [EOPS counseling meeting deadline is June 16.](#)

According to our records you have less than 3 counseling visits this semester with EOPS. You can still catch up and complete all three counseling contacts by this deadline using EOPS drop-in and appointment counseling services.

It is quick and easy to check how many EOPS counseling meetings you have completed this semester. Just follow these 3 easy steps to check that information:

1. Go to MyGCC
2. Click on Other Services
3. Click on My EOPS Counseling Contacts

To see EOPS counselors without a delay check the EOPS drop-in counseling schedule on the [EOPS home page](#) titled Drop-in Counseling (ZOOM or PHONE) and click on that link to login and agree to the Informed Consent to begin EOPS drop-in counseling.

To schedule an EOPS counseling appointment complete the following [EOPS Appointment Request Form](#).

May you have any questions, please email your questions to our front desk staff at eopsdesk@glendale.edu, or call us at (818) 240-1000 extension 6900 during in-person office hours or leave a voicemail.

NOTE: This email was distributed to a large group of EOPS students. Email replies will not be monitored.
