

Free Calculus Readiness Boot Camp

August 21-23, 2023 in SG 326

Are you taking Math 112 or Math 103E in Fall 2023?
Has it been a while since you last took a math class?
Are you rusty on your Algebra or Trig skills?

DAY 1

Monday, August 21
**Intermediate
Algebra Review**

**AM Session
10:00-12:00 and
PM Session
12:30-2:30**

Fractions
Exponents
Radicals
Polynomials
(and Factoring)
Equations and Inequalities

DAY 2

Tuesday, August 22
**College Algebra
Topics**

**AM Session
10:00-12:00 and
PM Session
12:30-2:30**

Domain and Range
Transformations
Piecewise functions
Rational Equations

DAY 3

Wednesday, August 23
**Trig and
Preview of Calc.**

**AM Session
10:00-12:00 and
PM Session
12:30-2:30**

Right Triangle Trig
Unit Circle
Trig Identities
Solving Trig Equations
Inverse Trig Functions

Bring a scientific calculator

Each session will cover different topics.

Please RSVP to one or more sessions at: <https://forms.gle/9pLi97pUHvGWQuYi9>
