

Your program is due for a cyclical review

Yes

No

You have two years to update your program.
The timeline starts Spring 2024 until the 1st preliminary review for 2026 (mid-January 2026)

Nothing to do until your next cyclical review

Program updated

Program **NOT** updated

You are good until the next cyclical review

The Curriculum Chair/VP of Instruction will send a list of all programs not updated to the Senate to start the Sunsetting process

If you want to deactivate/sunset your program, the process begins with submitting your request to the Senate.
