

2024-2025 Annual Foundation Contribution

All donations are tax deductible. Our tax ID #95-3876072

Student Success Fund

These are undesignated donations that are especially useful since they can be directed toward the most immediate needs as determined by the college, such as the GCC Student Success Fund and campus grants. A gift of \$1000+ entitles you to a membership in the President’s Circle.

Designated Funds

These are funds that Divisions can set up to use on an as-needed basis.

Endowment Funds

The principal of Endowment Funds is not spent. The Foundation policy is to distribute 3- 6% (determined by the Investment Committee each year, based on fund performances) of the market value to be used for the purpose of the fund. Endowment funds have been established to support scholarships, programs, facilities, divisions, departments and special events at Glendale Community College.

Establishing Your Own Named Fund

An endowment fund can be established for \$5000. To assist first time donors who are faculty/staff, the Foundation can provide up to \$2500 of the required \$5000. You can also support any of the 400+ endowed funds already established by faculty, staff, alumni, family, and friends.
