REFLECTIONS ON Creativity and Reality

How do we represent reality in literature?
How does the idea of creation and
creativity illuminate and permeate the
works of several important Spanish
American writers? Join **Dr. Stacy Jazán** as
she leads us through an excerpted journey
of her Spanish 124 Honors course. We
will explore the themes of creation, reality,
and the importance of names found in
significant works from José Martí, Rubén
Darío, and Jorge Luis Borges.
