## **MISSION**

We empower students to transform their lives by achieving their economic, educational, career, and life goals through our instructional programs, student services, and community partnerships.

## **VALUES**

As a public community college, Glendale Community College is dedicated to the following values:

### **STUDENT-CENTERED CLIMATE**

We are a student-centered college, collaborating to shape our institution so that students, staff, faculty, and administrators work in recognition of students' strengths, goals, efforts, and needs. We celebrate all students, providing excellent educational and training opportunities along with academic support for every student's endeavor. We promote student agency and engagement via the inclusion of the student voice in our shared governance and as home to a wide variety of student organizations, clubs, services, and learning communities.

### **DIVERSITY, EQUITY, INCLUSION, AND ACCESSIBILITY**

We value our diverse student population as an asset and strength of our college. We also value diversity of our employees as a foundation of support for our students. We are committed to closing equity gaps and supporting each student to meet their educational needs regardless of level of preparation; race; socio-economic status; age; gender; gender expression; sexual orientation; cultural, religious or ethnic background; linguistic expression; immigration status; or disability status. We actively work for diversity, equity, inclusion, accessibility, anti-racism, and social justice, in pursuit of equitable educational opportunities and outcomes for all.

### **OPEN ACCESS**

We serve all students by creating an educational community where they can take the next steps toward the future, no matter their level of preparation or educational background. With our distinction as a California Virtual Campus Teaching College, we serve students from Glendale, the Greater Los Angeles region, and beyond.

### **SHARED GOVERNANCE & DECISION MAKING**

We are committed to a decision-making style that integrates the perspectives of all stakeholders: students, staff, faculty, administrators, trustees, and the community at large. The tradition of fairly and openly presenting new ideas and processing dissent through a transparent, robustly designed, and flexible governance structure is upheld by its constituents and is a key component of our character.

### **EDUCATIONAL EXCELLENCE**

We are committed to fostering a culture and practice of innovative and equitable learning through our practices, methodologies, and support services that lead to authentic student success in terms of the acquisition of skills and knowledge that will provide benefit to students throughout their lives and careers.

### **SUSTAINABILITY AND STEWARDSHIP**

We recognize that the work of sustainability requires the ongoing development of a culture of stewardship of our resources. Students are the center of our work. We seek to create campus spaces that serve the college community effectively and efficiently. We acknowledge that Glendale Community College sits upon the traditional land of the Tongva/Kizh people, and we encourage reflection among faculty, staff, and students about the meaning of our presence on Tongva land within our institutional decision-making processes.

### **COMMUNITY BUILDING, ENGAGEMENT, AND PARTNERSHIPS**

We build a sense of belonging and engagement with the community we serve, both internally and externally, as a vibrant center of educational excellence, cultural engagement, and workforce development. We strive to actively identify and serve student and community needs as a Hispanic Serving Institution and for our learning communities. We collaborate internally with our students to build a community of acceptance and inclusion. We collaborate externally to build bridges with local school districts, the arts, business, industry, non-profits, government entities, and labor.

## WAITLIST INFORMATION

If a class is full, but has a waitlist, you can add yourself to the waitlist and as seats open up, students on the waitlist will be automatically enrolled. \*When you add yourself to the waitlist, you are given a position number. Students are enrolled in open seats based on their position number. The lower your number is on the waitlist, the greater your opportunity is to be enrolled in the class.

### WAITLIST FREQUENTLY ASKED QUESTIONS

*What is the advantage of enrolling to a waitlist?*

The waitlist enables you to be auto-enrolled in closed classes as seats become available.

*How many classes can I waitlist for?*

You may add yourself to any number of waitlists, but you will not be allowed to enroll in and waitlist in more than the maximum number of units for the term. For example, for the spring term, the maximum number of units allowed is 19; therefore, your combined enrolled and waitlist units can't exceed 19.

*Can I waitlist in more than one section of the same class?*

Yes, you can waitlist for multiple sections of the same class. Once you have been enrolled in one section of a class, you will be removed from the waitlists for all other sections of that class. If you are already enrolled in one section of a class, you may waitlist for additional sections, but you will not be enrolled from the waitlist until you drop the section that you are enrolled in.

*I was in position number 1 on a waitlist, why wasn't I enrolled when a seat opened?*

The requirements to be moved off of a waitlist are the same as standard enrollment:

- You will not be enrolled from the waitlist if you are already enrolled in another section of the same class.
- You will not be enrolled in a class if it conflicts in meeting times with another class in which you are enrolled.
- You will not be enrolled in more units than permitted in the term.
- You will not be enrolled if you have not met the prerequisites for that class.
- You will not be enrolled if you have any registration holds, i.e. Financial, Library, PE etc.

*Can I take myself off of a waitlist?*

Yes, you may remove yourself from a waitlist by following the same process as to drop a class.

*What is the first day I can get on a waitlist?*

Waitlists are only available once the class has reached its enrollment capacity. For high-demand classes, this may be the first day of registration or for other classes as late as the last week of open registration.

*Once I am on the waitlist, how do I get into the class?*

If seats become available and you meet all of the requirements, you will be added automatically to the class based on your waitlist position number. If you are successfully enrolled from the waitlist, you will see the change in your "My Schedule" in your Student Center. You will be sent an email to your college issued email address notifying you that you have been moved into the enrolled status.

*Can I waitlist for a class that conflicts in meeting times with a class that I'm already enrolled in?*

Yes, you can waitlist for time conflicted classes, but you will not be moved off of the waitlist until the time conflict has been resolved.

*Where can I find my waitlist position number?*

In your class schedule, there is a checkbox to show waitlisted classes – if you check this box, you will see classes that you are waitlisted for, and your position number.

*What if I decide that I no longer want to take a class that I have waitlisted?*

It is your responsibility to remove yourself from the waitlist. If you have been enrolled from the waitlist and do not wish to take the class, it is your responsibility to drop the class before the last day to drop with refund, or you may still be accountable for the class.

*What happens if I am added to a class from a waitlist after I have paid fees for other classes that I enrolled in?*

Your account in your Student Center will reflect the additional enrollment fees. Log into your MyGCC Student Center and click on Account Inquiry. These fees must be paid immediately.

*If I am already enrolled in NelNet payment plan, how might enrolling in an additional class via the waitlist impact my payment plan?*

Any additional enrollment fees and charges not included in your initial budget and plan will need to be added. You need to let the Tuition Office know of any changes to your enrollment or fees for the added class will be due immediately.

*If I have Financial Aid, how will adding a class to my schedule from the waitlist impact my aid?*

The enrollment fees will be waived as long as you have been awarded the California College Promise Grant (CCPG). If you are automatically enrolled through the waitlist process, the enrollment will be complete prior to the last day to add a class and your Financial Aid awards will be adjusted accordingly. However, if you are given a "permission number", you must add the course online prior to the last day to add a class or your Financial Aid will not be adjusted. We suggest that you contact the Financial Aid office if your units increase or decrease any time during the term.

**\*WAITLIST IMPORTANT NOTICE:** Classes and wait list (enrollment from the wait list) will officially close at 11:59 p.m. on the Sunday before the class is scheduled to begin. If you would like to add a closed class, you must attend the first day of the class to obtain a permission number from the instructor. If you are given a permission number, you will then need to log back into your student portal–MyGCC and officially add the class using the permission number.

## COURSE ENROLLMENT

### OPEN ENROLLMENT

Unless specifically exempted by statute, every course, course section, or class shall be open for enrollment and participation by any person who has been admitted to the college and who meets the prerequisites for such courses.

### REQUIREMENTS

When you look at the class listings, you will see that many courses have conditions you must meet before you can enroll. These conditions are called assessment tests, prerequisites, co-requisites, recommended preparation, or limitations on enrollment.

### DEFINITIONS

#### Assessment Test:

These exams measure your current skills. Your composite scores determine your placement in English, mathematics, English as a Second Language, and in other areas.

#### Prerequisite:

This means you already must have completed the course or courses listed as prerequisite(s) with a grade of A, B, C, or Credit before you enroll in the class you're considering.

#### Corequisite:

This means the class listed as a corequisite already must have been completed, or you can take it at the same time as the class you're considering.

#### Recommended Preparation:

This is a condition that you are advised, but not required, to meet before enrolling in the class you're considering.

#### Other Limitations on Enrollment:

Certain courses may require tryouts, auditions, or may be limited by health and safety considerations, facility limitations, faculty workload, availability of qualified instructors, funding limitations or legal requirements imposed by statutes, regulations or contracts. All limitations conform with the provisions of the Title V, Section 58106, California Community College Board of Governors.

### PREREQUISITE CHALLENGE PROCESS

You may challenge your assessment placement, course prerequisite, corequisite or limitation on enrollment for any of the following reasons:

1. You have the knowledge or skills to complete the course.
2. The prerequisite course has not been reasonably available and will cause you a delay in the completion of your academic goals according to your Student Educational Plan.
3. The course has not been established in accordance with the district's process for establishing prerequisites and corequisites.
4. The prerequisite is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

Follow these instructions:

1. Complete the Glendale Community College Prerequisite Challenge Petition.
2. Submit the petition to the appropriate division chair.
3. You may need to submit evidence of the necessary skills to pass the course.
4. You will be notified within 15 days of the decision.
5. If the petition is denied, you may appeal the decision to the Executive Vice President of Instruction.

Prerequisite Challenge Petition forms may be obtained from the Academic Counseling Office.

### TRANSCRIPTS AND TRANSFER OF UNITS

Transcripts should be sent directly from the high school or college to Glendale Community College. All transcripts become the property of Glendale Community College and will not be returned.

Glendale Community College reserves the right to evaluate work completed in other colleges or universities. The external credit units and cumulative grade points will be posted on the student's Glendale College transcript. Transfers with acceptable grades will be granted advanced standing in-so-far as the work completely corresponds with that of Glendale Community College.

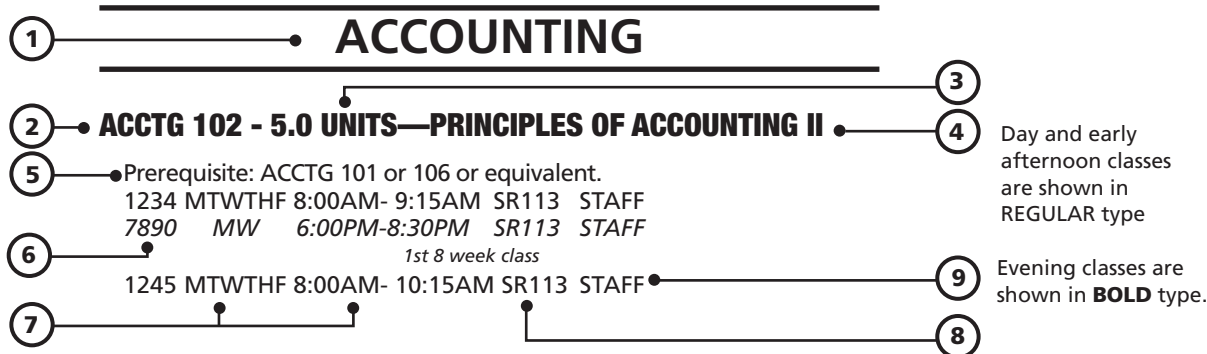

Upon the written request of a student, a transcript of the student's record at Glendale Community College will be forwarded to a college or university, individual, firm, etc. For more information visit the college website at [glendale.edu](http://glendale.edu).
