= Advanced Course Placement Required  
 = Placement Required  
 = Available to all students

**MATH 190**  
 Overcoming  
 Math Anxiety  
 1 Unit

**OPTIONAL**  
**NONCREDIT**  
**ABSE 121**  
 Basic  
 Algebra  
 Review

The courses below are all transfer-level math courses. Check with your counselor to see what is required by your target four-year school for your degree program. Up-to-date UC and CSU transferability information can be found online at [www.asist.org](http://www.asist.org)

All students who have not taken a math course at Glendale Community College or another accredited college or do not have a qualifying AP Math score should check their math placement in MyGCC.

Following the initial placement, students advance in the sequence by successfully completing a math course.

1. Dashed lines indicate acceptable, but not recommended paths.
2. Math 105, 107, and 108 can be taken in any order or concurrently.
3. Only two attempts are allowed in Math 110. To complete the sequence, students with two unsuccessful attempts (grade of W, D, F, or NP) will be required to take Math 110A and Math 110B.

+This course contains an embedded support lab.
