Credit for Prior Learning (CPL) Catalog Statement (**Rohrbacher**)

Students can gain credit for prior learning (CPL)—college credit awarded for certain college-level skills and knowledge gained outside a college classroom). Skills and knowledge may include work experience or training (apprenticeships, internships), military service/training, government training, volunteering/community service, and independent study. GCC uses an assessment process to evaluate a student’s knowledge gained from qualified prior experience. For example, students may need to take an exam, submit a portfolio, possess Industry recognized credentials, or provide military transcripts. To find out more about the CPL process, please speak with an academic counselor or Admissions and Records. (Include something about completing the Credit for Prior Learning assessment petition? Include something about consulting with Division Chair?)

Title 5 Task Force Update (**Rohrbacher, Vera**)

Agenda

Curriculum and Instruction Committee

March 27, 2024

Prelim Review Deadlines for spring 2024 (new and cyclical CORs and programs)

- 4/3 (final deadline for spring semester)

You can submit updates (substantial/nonsubstantial/info-tech) and archives/deletions on an ongoing basis. Last day to submit non-cyclical proposals: **June 5**

The role of C&I in promoting DEIA at GCC (**Evans, Ritterbrown, Rohrbacher, C&I Committee**)

- Let's chat about ideas for spring workshops!

eLumen Updates (**Rohrbacher, Traynor**)

- None

Title 5 Implementation of Ethnic Studies and the Cultural Diversity Requirement (**Rohrbacher, Ritterbrown, Bershad**)

The process for completing this change:

1. Discuss this change at C&I on 12/13
2. Discuss this change at C&I again Feb. 28. Possibly vote on redefining CD to Global Awareness/Appreciation
3. C&I Reps take this change to their division and discuss the change, decide which courses would be appropriate for a Global Awareness/Appreciation graduation requirement and vote on these changes.
4. C&I Reps bring these changes to the C&I committee and the committee votes on adding courses to the Global Awareness/Appreciation Graduation Requirement.
5. This change goes to Academic Affairs (and to Graduation Requirements if there is disagreement between C&I and Academic Affairs—see p. 86 of C&I Handbook). Changes go on to College Exec and BoT.

GCC's ILO #6: Reflect and act upon personal responsibility as local and global citizens; respect and appreciate social and cultural diversity and recognize the complexity of the world; value and articulate the significance of environmental sustainability and social justice.
