The role of C&I in promoting DEIA at GCC (**Evans, Ritterbrown, Rohrbacher, C&I Committee**)

- Improving curriculum vs. approving curriculum
- Let's chat about ideas for spring workshops!

eLumen Updates (**Rohrbacher, Traynor**)

- How's it going?
- What we're noticing

III. New Business

Articulation update (**Bershad**)

Title 5 Implementation of Ethnic Studies and the Cultural Diversity Requirement (**Rohrbacher, Ritterbrown, Bershad**)

Agenda
Curriculum and
Instruction Committee
December 13, 2023

1. We'd like to propose redefining our current CD requirement to Global Awareness/Appreciation (or similar). Courses in this area will encourage students to take courses outside of the Ethnic Studies requirement. This requirement is in line with GCC's ILO #6: **Global, Cultural, Social, and Environmental Responsibility**
2. Divisions will decide which courses fulfill this requirement.
3. These courses should be double-counted.
4. In this process, divisions should look at all Graduation Requirements areas to see what courses should be added/deleted to our local requirements

The process for completing this change:

1. Discuss this change at C&I on 12/13
2. Discuss this change at C&I again Feb. 21. Possibly vote on redefining CD to Global Awareness/Appreciation
3. C&I Reps take this change to their division and discuss the change, decide which courses would be appropriate for a Global Awareness/Appreciation graduation requirement and vote on these changes.
4. C&I Reps bring these changes to the C&I committee and the committee votes on adding courses to the Global Awareness/Appreciation Graduation Requirement.
5. This change goes to Academic Affairs (and to Graduation Requirements if there is disagreement between C&I and Academic Affairs—see p. 86 of C&I Handbook). Changes go on to College Exec and BoT.

Stray thoughts/observations:

1. Should Division Chairs meet to communicate about these changes— which courses should be a part of a Global Appreciation/Awareness requirement?
2. Francien will make it clear in the C&I agenda when the redefinition of CD to Global Awareness/Appreciation is being discussed/voted on, and when curriculum items are on the agenda to be placed into this requirement.
3. We should be prepared to answer questions about whether we have too many local requirements (there may be push back about adding another local requirement for our local degrees).
4. From AR 4000: Procedure for establishing graduation requirements: Procedures for establishing graduation requirements will be reviewed by the Graduation Requirements Committee in consultation with the C & I Committee,

reporting to the Academic Senate, and referred to the Academic Affairs Committee for advisory consultation. The Academic Affairs Committee will return the proposed requirements to the Academic Senate.

If changes are proposed by the Academic Affairs Committee, the Academic Senate shall approve or disapprove those changes. If the Academic Senate approves the changes, the revised requirements will be referred to the Academic Affairs Committee for review and sent to College Executive
