Dear EOPS Student,

According to our records, you have not applied for financial aid.

One of the major requirements for EOPS students is to apply for financial aid by submitting the financial aid application ([FAFSA](#) OR [CADAA](#)) once a year as soon it becomes available, but no later than the published priority deadline.

The 2024-2025 financial aid application is available now!

Check out the links to the application above. After you submit your financial aid application, make sure to follow-up with the Financial Aid Office and submit all the requested documentation to get your application processed asap and to receive your Financial Aid Notification showing your remaining unmet need.

If this is not done in a timely manner you may not be eligible for EOPS services including grants.

If you need help filling out the FAFSA or CADAA application, please attend a financial aid assistance workshop or schedule a 30 minute online meeting.

See the schedule below for FAFSA workshops.
