Re: Jean Roth Driskel Scholarship

Dear Mania,

Congratulations! You have been selected as the first place winner of the Spring 2023 Jean Roth Driskel Scholarship for \$9,500.

The criteria of the California Community Foundation, (CCF), which administers the Jean Roth Driskel Scholarship Fund, requires that the scholarship monies be paid directly to the college or university for the education expenses of the winning candidate. The money is to be applied to the "self-help" portion of any financial aid package and should not be used to reduce grant aid unless federal or state requires the reduction. The documentation required by the CCF will be forwarded by them to you shortly. The CCF will then award the scholarship upon confirmation of the candidate's enrollment.

Please confirm receipt of this email by emailing me at krlong.studio@gmail.com

Regards,

Kenneth R Long AIA, LEEDAP
Chair Jean Roth Driskel Scholarship Committee
