- We still do not know for sure where the Thanksgiving celebration will take place but the days on which we can attend are November 25, 26, or 28.

XVII. Reports of Advisors

- Dr. Tzoler Oukayan

- AS must inform students what the student government is, what we do, and what our tasks are as members of Student Government.
- Presentations in classes and at events about AS will greatly help students to know who we are; presentations should begin this semester.
- Applications for new AS members should be opened as soon as possible so that those who are presenting in classrooms can be informed that they can now apply for membership next semester.
- It should be very clear that students who have classes on Mondays and Wednesdays at 1:55 will not be admitted, because the AS meetings at that time are mandatory to attend, and they also do not have to neglect their classes unless the applicants find better schedule they can be recruited for the government.

- Claudia Juan

- We have all been improving in our tasks, the events have been improving and becoming much more organized.
- Remember that every time you have an event, you must send me the request form to be sure that the locations are available.
