This Articulation Agreement (“Agreement”) is made and entered into as of this 14 day of \_\_\_May\_, 2020\_\_\_, by and between **Pacific Oaks College** (“POC”) and **Glendale Community College** (“GCC”) whereby active GCC students shall be permitted to transfer to POC pursuant to the terms and conditions outlined below.

**WHEREAS**, GCC is a regionally accredited community college that offers campus-based and/or online associate degrees through an engaging educational experience that connects students with peers and expert faculty in various programs of study; and

**WHEREAS**, POC is a regionally accredited college that offers campus-based and online bachelor’s degree completion programs in education, human development, community psychology, and advocacy and social change through an engaging educational experience comparable to that of GCC, that connects students with peers and expert faculty; and

**NOW THEREFORE**, in consideration of the promises and of the mutual covenants herein contained, the parties hereto agree as follows:

**I. General Provisions of the Agreement**

The following terms and conditions outline this Agreement between GCC and POC:

- A. Eligibility: All active GCC students are eligible to transfer to POC under the terms and conditions of this Agreement, as long as the student meets the qualifying criteria outlined below. “Active GCC student” is defined as a student who has been identified as maintaining an active enrollment status, meaning those students who have completed at least one academic course within the past academic year as determined by GCC.
- B. Term and Termination: Active GCC students shall have through the 20\_\_\_ enrollment cycle to seek admission under the terms of this Agreement, whereby it shall immediately terminate. The term of this Agreement may be extended only by the written Agreement of both parties. Either party may terminate this Agreement at any time for any reason without penalty or further obligation by giving the other party ninety (90) days written notice; however, both parties understand and agree that any written commitments made to GCC transfer students hereunder shall survive termination of this Agreement.

- C. Transfer Admission Guarantee: Active GCC students who fulfill the criteria listed below (see III. Transfer Student Responsibilities) are guaranteed general admission to POC. All transfer of credit will be based on an individual evaluation of student transcripts, and may vary depending upon program of study and how credits are applied towards degree completion. Active GCC students who submit a completed Application for Admission along with all required admissions documentation and application fee no less than two months prior to their anticipated start date, and who have a minimum of 60 transferrable semester credit hours, and who have a cumulative GPA of a minimum of 2.50 will receive guaranteed admission to the start date for which they have applied and will qualify for a Transfer Admission Guarantee (TAG) tuition rate that is equal to no more than 80% of the standard tuition rate of POC for undergraduate courses published in the Tuition and Fees Section of the POC Academic Catalog.
- D. Financial Aid: GCC students will be encouraged to apply for financial aid designating the school of current attendance as their primary school. Should the student wish to take courses at both institutions simultaneously, students will arrange for GCC to release financial aid information to POC's Financial Aid Office.
- E. Statement of Non-Discrimination: Each institution warrants that it shall not discriminate against any program applicant or participant on the basis of race, color, national origin, religion, gender, sexual orientation, age, or disability.
- F. Promotion: The Parties consent to the mutual use of the Parties' names and logos in promoting this Agreement, including on each Party's website, social media, public relations, and in other marketing efforts. The Parties also agree to use their best efforts to mutually promote and market this agreement. The Parties agree to promote, advertise, and market the agreement in a manner consistent with which they promote other partnerships on their websites, social media, public relations, and in other marketing efforts. Such efforts shall include the use of: 1) campus images, 2) Parties' logos, 3) an outline of programs offered by POC on GCC's website, 4) a description of POC's transfer process for GCC students to have their Courses accepted toward a degree or certificate offered by POC and recognized for academic credit on GCC's website, 5) links to POC's website, 6) links to POC's social media presence and/or 7) other such items as may be mutually agreed between POC and GCC.

## **II. Pacific Oaks College Assurances**

- A. Pacific Oaks College Admissions Department shall enter an attribute into a content management system (CMS) so that transfer students are identified as GCC students, and therefore eligible for the terms and conditions outlined in this Agreement. POC agrees to appoint one or more individuals as a point-of-contact for all GCC transfer students who shall serve as a liaison for admissions consultations, transfer evaluations, student management, and any other information about the transfer process and/or orientation to POC.

- B. Active GCC students who transfer to POC will be awarded transfer of credit (“TOC”) based on a pre-approved articulation guide, attached as **Appendixes A-H**, as long as they have met all other requirements of POC for transfer credit eligibility. Courses not listed for transfer of credit in Appendixes A-H may be considered on a case-by-case basis upon review of the GCC course syllabus. Courses meeting multiple general education areas may only be applied towards credit in one area.
- C. While only official GCC transcripts are required for this general admission assurance, enrollment advisors may request official transcripts from other institutions attended by the student to review for additional TOC for coursework not completed at GCC. In this instance, POC will require an official sealed transcript from all third party colleges prior to being accepted to be reviewed for TOC, in addition to GCC TOC. No TOC shall be granted for courses where the student earned a grade of less than a “C.” Any otherwise ineligible of credit (TOC) is subject to conditional approval by POC’s subject matter expert on a case-by-case basis. The evaluation and transfer of earned college credit shall be in full compliance with institutional policies and all other state and Federal education policies pertaining to credit transfer.
- D. Bachelor of Arts students may be eligible for institutional scholarship opportunities at POC. More information on scholarships can be found at:  
<https://www.pacificoaks.edu/admissions/cost-financial-aid/scholarships-and-grants/institutional-scholarships/>.
