METHODS OF ASSESSMENT:

**Engl 190 – Book Report Rubric**

**Engl 192 – Book Report Rubric**

ANALYSIS OF ASSESSMENT: What do these results tell you about your students' achievements on the targeted SLO(s)?

**Results show that students are doing fairly well. There are those who do really well and those who do very poorly, but overall, the students perform at an average level.**

PLAN: Indicate if your assessment results reveal a need for course improvement in order to improve student achievement, and what plans your department will make to do so.

**The reading committee will convene in the spring term to discuss the possibility of requiring a graded Book Report and Rubric for Engl 188, as is done with Engl 190 and Engl 192. The use of Latin and Greek Word Roots on the final exam might not be telling enough to determine success or failure with a student. Also, there will be discussion if the elimination of Engl 188 will occur in the future.**

WHAT COURSE(s) WILL YOU ASSESS IN THE FOLLOWING SEMESTER: **Spring 2011 - Engl 188, Engl 190 and Engl 192.** You might re-assess for the same SLO(s) with the implementation of your new plan, and/or for another SLO and/or course.
